Background to the role

Walsingham House at Abbotswick is a recently refurbished retreat house for young people and adults, set in the heart of Brentwood Diocese. We are in a beautiful, tranquil, rural location, five miles from Brentwood and with 14 acres of our own grounds. Rather uniquely, the House is home to a team of volunteers aged 18-23 and three permanent staff members who live as a community. The House can accommodate 41 people to full capacity; the typical group is a class size of around thirty young people, plus two or three adults.

Our focus is running retreats for young people from schools and churches from across Essex and East London, working with over seven thousand young people (aged 10-18) every year, as well as welcoming adult groups during quieter periods of the year. In 2018-2019 bookings were exceptionally high with almost every bookable date filled. Throughout the pandemic we had to drastically change our ministry offering Covid-safe retreats in schools and lots of online content. As we begin to resume some normality, we are looking forward to welcoming groups, especially residential groups back to Walsingham House.

A £650,000 refurbishment of Walsingham House at Abbotswick was completed in January 2018 including the provision of a fully equipped kitchen with industrial appliances, so as to cater for large groups. We have enjoyed a 5 star hygiene rating for over 10 years now and as we emerge from the pandemic we are looking for a new cook and kitchen supervisor.

We warmly welcome visits from potential applicants, please contact Joe the House Coordinator at josephbeattie@dioceseofbrentwood.org or call 01277 373959 to arrange a visit.
