Who, or what, is the Holy Spirit?

But who, or what, is the Holy Spirit?

- The Holy Spirit: God's movements and actions in the world
- After we receive the sacraments (especially confirmation) God helps us in a special way, teaching us, guiding us, supporting and defending us
- God gives us a special blessing to make us **STRONGER THAN EVER BEFORE**
- But he wants us to do something with our new found strength…

What are charisms?

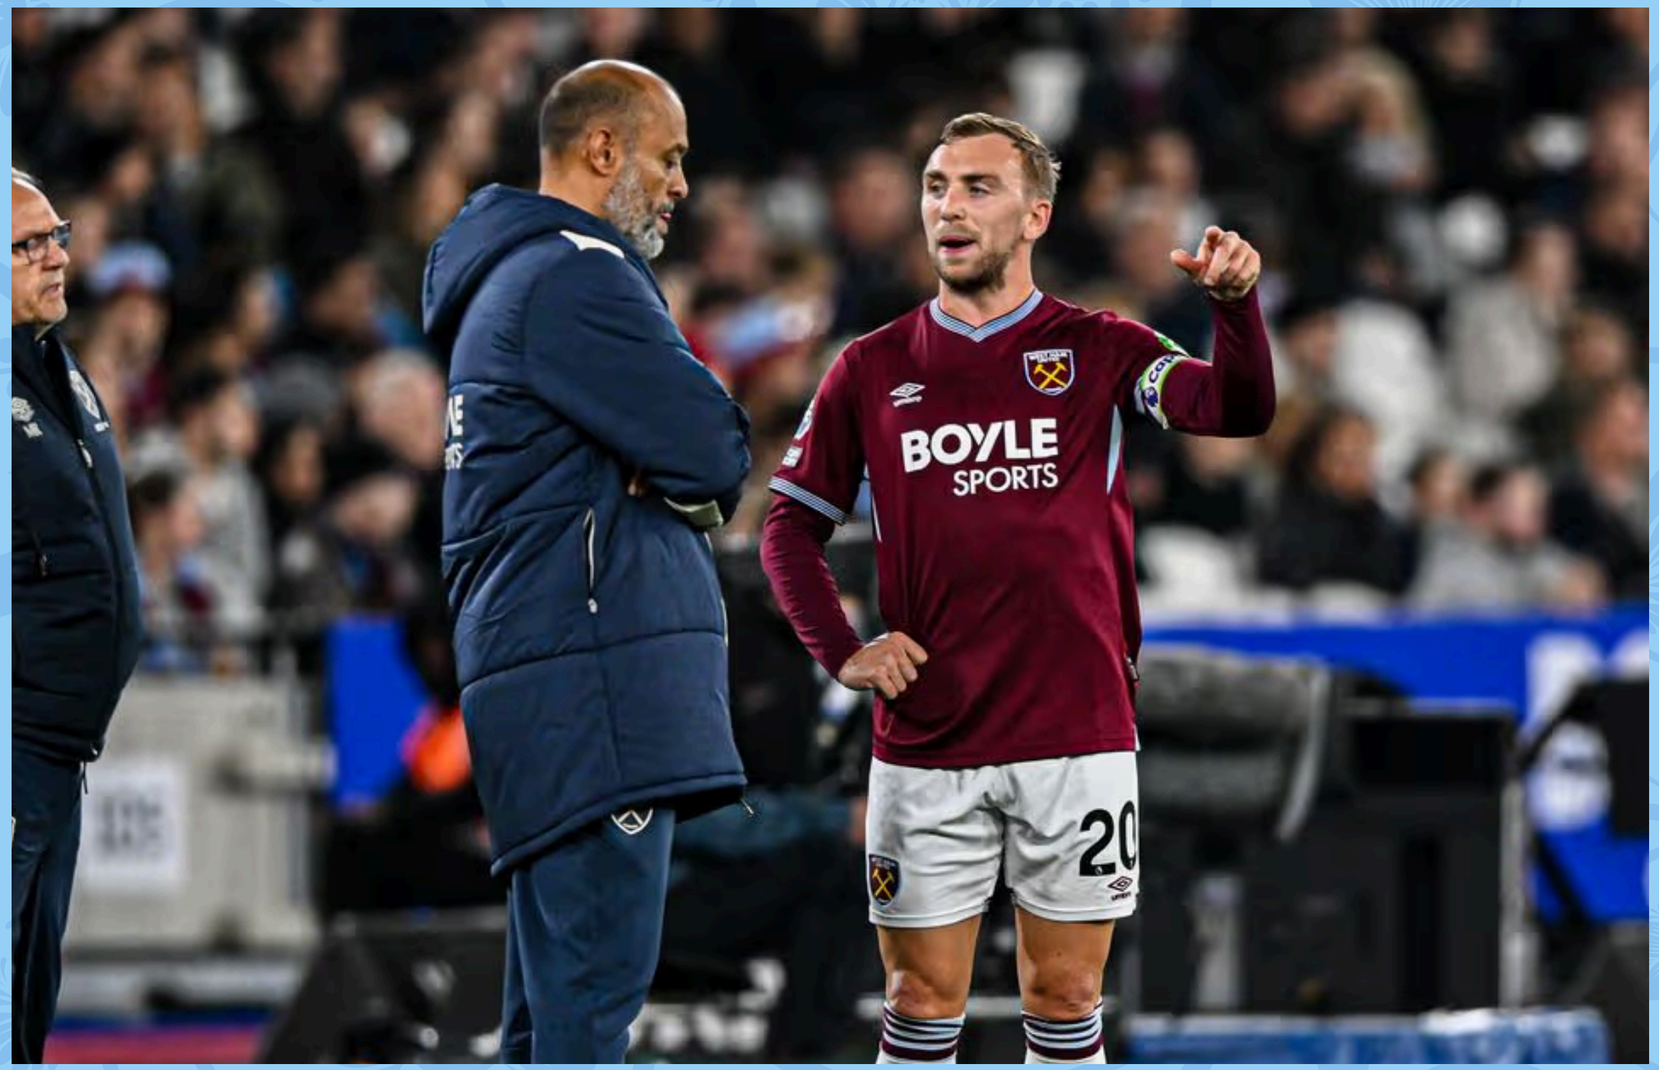

What are charisms?

- Charisms are special gifts that God gives to our personality

- We are all different and we all have different charisms

- God wants us to use our charisms to serve Him and to help others

Charisms and the Holy Spirit

✦**Life in the Spirit** is all about Freedom
Some things in this world make us less free…

✦The Holy Spirit **STRENGTHENS** our charisms to help make us **MORE FREE**

✦With the **STRENGTH** and **FREEDOM** the Holy Spirit has given us, we can **CHOOSE** to live our lives close to God

✦…this will make us feel more peaceful, more happy and more **FREE**, even in difficult times
